Review Report to
The Board of Directors
Nova Iron & Steel Limited
Village-Dagori, Tehsil Belha, Bilaspur
Chhattisgarh

1. We have reviewed the unaudited Ind AS Financial Results of M/s Nova Iron & Steel Ltd. (the "Company") for the quarter ended December 31, 2021 (the "Statement") attached herewith, being submitted by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Regulation'), read with relevant circulars issued in this regard from time to time.
2. The preparation of the statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended, read with relevant circulars and other accounting principles generally accepted in India is the responsibility of the management of the Company and has been approved by the Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.
4. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
5. **Basis for Qualified Conclusion**

As stated in Notes, company has not provided for interest expense of Rs. 2,074.79 Lakhs (Estimated) for the quarter ended 31st December 2021 related to borrowings of Rs.30,799.51 Lakhs. Statements of accounts were not available to confirm the balances/interest chargeable thereon.

Had the interest been so provided, the finance cost and net loss would have been higher by Rs 2,074.79 Lakhs (Estimated) for the quarter ended 31st December 2021.

6. Qualified Conclusion

Based on our review conducted as stated above, with the exception of matters described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results have not been prepared in all material respects in accordance with the applicable Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting practices and policies, and has not disclosed the information required to be disclosed in terms of 'the Regulation', read with relevant circulars including the manner in which it is to be disclosed, or that it contains any material misstatement except for the matters specified here under.

7. Emphasis of Matter

Attention is invited to Note No.4 of the financial results, that land under Property Plant and Equipment includes land valued at Rs. 330.69 Lakhs bought by the company in the name of third parties. Transfer of the same in the company's name is yet to be initiated.

Our conclusion is not modified in respect of these matters.

8. Other Matter

The Company has no Chief Financial Officer as required u/s 203 of the Companies Act 2013.

Our Conclusion is not modified in respect of the above matter.
